---

Ashford Cricket Club is celebrating 160 years in 2015. As part of the anniversary celebrations we have partnered with two charities and we will be making donations to both at the end of the season.

Princess Alice Hospice, based in Esher, Surrey, is a local charity dedicated to providing free, high-quality compassionate care and support for patients, their families and carers. They care for people with cancer and other illnesses in a large part of Surrey, south west London and Middlesex. They aim to enable patients to have the best possible quality of life to the end, responding quickly to their needs and wishes. The Hospice recognises that family, carers and friends have needs of their own and they are here to provide them with support, comfort and advice at every stage of illness and after death.

Founded by the local community, fundraising and community support are crucially important to their continued work as a charity.

For more information, visit [www.pah.org.uk](http://www.pah.org.uk)

The Motor Neurone Disease Association is the only national charity in England, Wales and Northern Ireland focusing on MND care, research and campaigning. MNDA is a membership organisation with nearly 8,000 members forming a powerful national and local network that provides information and support alongside fighting for improved services. MNDA now have over 3,000 active volunteers in England, Wales and Northern Ireland and 140-plus paid staff, all dedicated to improving the lives of people affected by MND, now and in the future.

The charity's vision is a world free from MND. Their mission is to improve care and support for people with MND, their families and carers. They fund and promote research that leads to new understanding and treatments, and brings everyone closer to a cure for MND. MNDA campaigns and raises awareness so the needs of people with MND and everyone who cares for them are recognised and addressed by wider society.
