Support Ashford's Fundraising for new Nets!

The Club is determined to replace the current nets with a brand new facility, better positioned beside the clubhouse. While the committee continues to work hard to identify and apply for relevant grants (with some success), we can't ignore the value of fundraising efforts within the Club too.

Already the initial £5,000 pledged by the Club has risen to £11,135 thanks to all of you who have made contributions and attended fund raising events.

Showing that we are making every effort to help ourselves is a big factor in being successful with a grant application, and every pound takes us that bit closer to our goal.

Please take every opportunity to support the appeal throughout the season, and remember the difference Gift Aid can make to donations.
