Our 2015 Charity Partners

Princess Alice Hospice

Based in Esher, Surrey, PAH is a local charity dedicated to providing free, high-quality compassionate care and support for patients, their families and carers. We care for people with cancer and other illnesses in a large part of Surrey, south west London and Middlesex.

Our aim to enable patients to have the best possible quality of life to the end, responding quickly to their needs and wishes. We recognise that family, carers and friends have needs of their own and we are here to provide them with support, comfort and advice at every stage of illness and after death.

Founded by our local community, fundraising and community support are crucially important to our continued work as a charity.

The Motor Neurone Disease Association

is the only national charity in England, Wales and Northern Ireland focusing on MND care, research and campaigning.

We are a membership organisation with nearly 8,000 members forming a powerful national and local network that provides information and support alongside fighting for improved services. We now have over 3,000 active volunteers in England, Wales and Northern Ireland and 140-plus paid staff, all dedicated to improving the lives of people affected by MND, now and in the future.

Our vision is a world free from MND. Our mission is to improve care and support for people with MND, their families and carers. We fund and promote research that leads to new understanding and treatments, and brings us closer to a cure for MND. We campaign and raise awareness so the needs of people with MND and everyone who cares for them are recognised and addressed by wider society.

2015 – A Special Year for Ashford Cricket Club

This year we are celebrating our 160th anniversary and a truly special year it should be. Our plans for the anniversary involve a series of events in 2015, all of which are intended to engage the local community, increase the profile of the Club and raise money for our charity partners - the Motor Neurone Disease Association and the Princess Alice Hospice. Both these charities were chosen specifically because of the assistance they gave to the family of our Ladies Captain in the last few years and we're hoping that our fundraising will assist both of them in their fantastic work. Please read the section on the opposite page about our charity partners and try to support the efforts during the year. As you will see at the back of the handbook, there are a lot of activities planned and, as such, we will be asking all our members and friends to dig deep with their support and commitment as well as their pockets! However, I'm sure you'll all agree it is all for a great cause.

We're particularly proud to have been chosen to hold the Surrey Championship T20 Finals Day in July, which should provide some great cricket as well as, hopefully, attracting a bumper crowd to the ACG and will be a great way to show off our fabulous facilities. The August Bank Holiday Family Weekend should provide great entertainment for young and old with lots of family friendly activities such as bouncy castles, face painting and donkey rides as well as the inaugural Ashford Beer Festival together with a men's 6-a-side and a ladies 8-a-side competitions and will hopefully be a great community event. The celebrations start off with a Charity Fun Run in May and will finish off on our traditional President's Day in September with a match against an Invitation XI and Gala Dinner in the evening.

I must also mention that while we were still in 2014, we asked local primary schools to participate in a competition to design a new logo for the 160th Anniversary Year and there was a fantastic response with over 200 entries! Aisha Theophilus, a 9 year old who attends Staines Prep, was declared the winner by our equivalent of the Turner Prize judges and, as you will no doubt have already noticed, her logo is featured on the front cover and will also be on this year's promotional material. Aisha also received £50, 4 tickets to a Surrey T20 Blast match at the Oval and free tickets to the Bank Holiday Family Weekend at the Club. Well done Aisha, runners up: Isabella Gray (Staines Prep), Leo Markham (Spelthorne School) and Abigail Newport (Buckland Primary) who also won tickets to the Family Weekend and thanks indeed to everyone who entered the competition.

A final word of special thanks to our esteemed Treasurer, Paul Frost, who is the man behind the idea to mark our 160th in such a spectacular fashion. Paul has been behind all the plans putting his head well above the parapet in leading the organisation of the events. It is definitely fair to say that without Paul's vision and drive none of the above would be taking place.

Make sure you all keep up to date with the anniversary plans via the club's website, its Twitter account as well as around the clubhouse and, most importantly, please support all the activities and do whatever you can to help make the year a great success.

Have a great season, enjoy your cricket and support YOUR club.

Spirit of Cricket: Preamble to the Laws

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

1. There are two Laws which place responsibility for the team's conduct firmly on the captain.

Responsibility of captains

The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

Player's conduct

In the event of a player failing to comply with instructions by an umpire, or criticising by word or action the decision of an umpire, or showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, and instruct the latter to take action.

2. Fair and unfair play

According to the Laws the umpires are the sole judges of fair and unfair play.

The umpires may intervene at any time and it is the responsibility of the captain to take action where required.

3. The umpires are authorised to intervene in cases of:

- Time wasting
- Damaging the pitch
- Dangerous or unfair bowling
- Tampering with the ball
- Any other action that they consider to be unfair

4. The Spirit of the Game involves RESPECT for:

- Your opponents
- Your own captain
- The roles of the umpires
- The game's traditional values

5. It is against the Spirit of the Game:

- To dispute an umpire's decision by word, action or gesture
- To direct abusive language towards an opponent or umpire
- To indulge in cheating or any sharp practice, for instance:
 - (a) to appeal knowing that the batsman is not out
 - (b) to advance towards an umpire in an aggressive manner when appealing
 - (c) to seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side

6. Violence

There is no place for any act of violence on the field of play.

7. Players

Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution towards this.
